# ENOTECA DIVINBACCO

**Category:** More
**business description:**

THE NATIVES NOT TO BE MISSED Recently opened 0-mile wine shop which, in addition to bottled wine, also sells bulk wine stored in steel tanks and sold to the consumer in different containers. Born with the intent to promote local producers, it also stands out for the proposal of some particular wines and autochthonous grape varieties such as uvalino, barbarossa and gamba di pernice. There are also the Chardonnay, the Grignolino and the Nebbiolo wines. Craft beers and outstanding gastronomic products including pasta, grissini, sauces and desserts are also available.
